

# 47 stories destroyed in 7 seconds - HOW?

**FACT:**

Buildings 3, 4, 5 and 6 did NOT collapse.

**FACT:**

The owner of WTC7 signed the lease on the rest of the WTC complex 6 weeks before 9/11.

**FACT:**

When buildings before and since 9/11 have collapsed this way it has ALWAYS been the result of deliberate demolition with explosives.

## Why did WTC Building 7 Collapse?

It was *never hit by an airplane* and had only *minimal damage and fires*, yet it *collapsed completely* in 7 seconds at 5:20 p.m. on 9/11/01.

No explanation has been given for 5 years. Why?
